With all its natural charms, Taitung County is nicknamed the “garden of Taiwan.” Among the many attractions in this region is Jiaming Lake. At a dizzying 8 of 3,310 meters, it welcomes thousands of hikers every year. Only those lucky ones can enjoy this popular hike as getting an entry 9 is very competitive. After having this hike on my to-do list for six years, I finally made this dream come true last year. When I arrived at Taitung Station, it was already afternoon. I immediately set off for Xiangyang cabin, and after two hours of walking in the mountains, I finally reached the cabin tired, cold and hungry. The next day I took my time to hike up Xiangyang Mountain to Jiaming Lake cabin because it was only 4 kilometers away. Along the way, I was 10 with magnificent views. On the final day, after having breakfast at 3 a.m., I hurried to complete the final 4.6 kilometers to Jiaming Lake. As dawn neared, the sky turned a beautiful blue, and rays of light escaped the horizon. The glowing pinks, yellows and oranges 11 us. Just below the horizon, we saw a thick sea of clouds. Jiaming Lake transformed into a 12 pool of light. The marvelous sights took my breath away, and the beauty was definitely worth six years of waiting.

8. F 9. B 10. D 11. A 12. E
